**Description:** Compact USB-A data blocker delivers secure charging by blocking data transfer on public ports. ABS housing in black or white fits laptops, bags, and pockets, measuring 0.55 in x 1.61 in x 1.02 in. Protects devices during travel and events, ideal for tech brands, finance, travel programs, healthcare, and education initiatives seeking trusted connectivity. Great for conferences, onboarding kits, and marketing campaigns as a practical promotional gift. End users enjoy worry-free charging on the go and reduced risk of data theft. Standard production time is 7 working days for regular order quantities and 11 working days for large quantity orders.
