Description: Elevate Your Team Spirit with the District Women's Perfect Tri Tee!

Introducing the District Women's Perfect Tri Tee, a must-have for organizations looking to boost team spirit and create lasting brand awareness. Crafted from a premium blend of 50% polyester, 25% combed ring-spun cotton, and 25% rayon, this 4.5-ounce tee is the perfect canvas for showcasing your unique artwork or logo.

Made with 32 singles for a luxuriously soft feel, this tee features a 1x1 rib knit neck and shoulder-to-shoulder taping for enhanced durability. The tear-away tag ensures all-day comfort, making it ideal for long team-building events or promotional activities.

The tri-blend fabric of this tee infuses each garment with a unique character, creating slight color variations that add to its charm. Please note that this product is transitioning from woven labels to tear-away labels, so your order may contain a combination of both.

🔍 To ensure the longevity of your imprinted artwork, special care must be taken throughout the printing process. Consult with your decorator or ink supplier for the best printing practices to make your logo stand out.

Product Specifications:
