Description: Combine the old-fashioned look of wood with the ultra-modern feel of a portable Powerbank with this handsome item. This pocket-sized 4" x 1" x 1" device is made of plastic, metal and wood and about the size of a pack of gum - but what it really packs is 2600mAh of recharging power! Add your organizational or company logo, emblem or message to this charger to craft a branded promotion that makes a great giveaway for a technology expo, trade show or convention appearance. Each unit includes a Micro-USB pin style cord, attractive gift box and full set of instructions.
