Description: Fiber Optic Glow wand delivers dynamic branding at events with a durable plastic handle and wrist strap for hands-free handling. Four color options—red, green, white, blue—make branding pop in low light with shimmering fiber strands. At 13.38 inches long and 0.70 inches in diameter, this promotional product suits trade shows, concerts, festivals, school events, sports venues, charity drives, and product launches—boosting visibility, attendee engagement, and photo-worthy moments for brands, venues, and nonprofits. Standard production time is 10 working days for regular order quantities and 12 working days for large quantity orders.
