Description: Silicone ID bracelet with a durable stainless steel plate offers quick, visible ID during field trips, camps, and events. The hypoallergenic elastic band is comfortable for all-day wear and easily customized in colors to boost visibility and brand recognition. It's ideal for schools, daycare centers, summer camps, youth leagues, museums, zoos, travel programs, and healthcare outreach—helping caregivers quickly identify, locate, and reunite children. Engrave emergency contacts or program info on the plate. Dimensions: 0.47 x 7.10 x 4.70 in. Standard production time is 7 working days for regular order quantities and 10 working days for large quantity orders.
