Description: Compact ABS black tracker with six color-coded fobs (A-F) attaches to keys, bags, wallets, and remotes, turning misplaced items into findable assets. Bluetooth-enabled locating pairs with a remote beacon for quick alerts, while its pocket-friendly footprint 1.77 x 0.24 x 1.18 in fits pockets or keyrings. Color coding supports department or team mapping, making it ideal for corporate gifts, tech promotions, hospitality campaigns, real estate, universities, events, and logistics teams seeking fewer losses and faster recoveries. Standard production time is 22 working days for regular order quantities and 30 working days for large quantity orders.
