Description: Keep your ear buds on a short leash and prevent tangled cords and loss with this unique spin on listening to phone conversations or your favorite music. These earbuds feature have a standard 3.5mm jack and a 30\" cord that's threaded through a retractable reel, so you can use as little or as much length as you need. It's great for commuters, students, or folks that wear earbuds when they exercise. There's even a clip to connect them to your pocket or collar to prevent loss. Add your logo Spot color or full color logo on the reel to create a great-sounding branded promotion.
