Description: Best suited for classic single-color, non-intricate designs. For full-color artwork, gradients, fine details, or highly intricate logos, we recommend our LP2000 or NPWB99828 lapel pins instead.Crafted from durable die-cast steel, this 1-inch custom lapel pin offers a timeless, professional appearance with crisp raised metal details. Perfect for company logos, school emblems, organizations, recognition programs, anniversaries, and commemorative designs, it provides a premium look at an economical price. The secure butterfly clutch keeps the pin firmly attached to jackets, uniforms, hats, backpacks, lanyards, and bags for dependable everyday wear.A popular choice for employee recognition, corporate branding, trade shows, conferences, sports teams, schools, universities, nonprofits, military units, clubs, and promotional events. Available in multiple metal finishes to complement your brand or artwork.
