Description: Introducing the Sport-Tek Long Sleeve PosiCharge Competitor Tee, the ultimate choice for those who demand both style and performance in their activewear. Elevate your team spirit and brand awareness with this roomy and highly breathable tee that is designed to impress.

Crafted from 3.8-ounce, 100% polyester interlock with PosiCharge technology, this tee is not only moisture-wicking but also value-priced, making it a smart investment for your organization. The PosiCharge technology locks in color and prevents logos from fading, ensuring that your artwork or logo receives the exposure and recognition it deserves.

Designed with set-in sleeves for a comfortable fit, this tee also features a removable tag for added comfort and relabeling convenience. Given the extreme heat required for sublimation, we recommend consulting with your decorator and sampling the product by color before production to ensure the best results.

Product Specifications:
