Description: Compact ejector blends metal durability with a plastic grip. Measuring 1.61" x 0.07" x 0.31", this pocket-sized accessory features a built-in loop for a keyring or lanyard and a slim metal pin that smoothly ejects SIM trays on most phones and tablets. Available in yellow, white, black, blue, and red to match brand palettes. Ideal promo gifts for mobile carriers, electronics retailers, IT teams, travel brands, conferences, and universities—end users keep devices ready for use. Standard production time is 8 working days for regular order quantities and 14 working days for large quantity orders.
