Description: Compact iron SIM ejector keychain in a silver-tone finish for quick, on-the-go SIM swaps. Measuring 1.29 in by 0.27 in by 0.03 in, it fits any standard SIM tray and tucks onto a keyring or bag. A practical tech-branded gadget for telecom providers, IT teams, electronics retailers, trade shows, startups, and corporate campaigns seeking functional swag. End users gain everyday utility and brand visibility at conferences, service desks, or field operations. Standard production time is 5 working days for regular order quantities and 10 working days for large quantity orders.
