Description: Durable stainless steel ring with a bold laser-engraved motif, offered in silver and black finishes for a clean, professional look. The interior is polished for comfortable daily wear, and the ring resists corrosion to keep branding clear. Lightweight yet sturdy, it delivers lasting visibility at conferences, trade shows, and milestone events. Perfect as employee recognition, client swag, or membership tokens for tech startups, banks, universities, sports teams, and charities. Standard production time is 10 working days for regular order quantities and 15 working days for large quantity orders. Ring sizes are based on the standard US sizing system (US sizes 7–12). Other size options are not available.
